This FSG is required for, and applies in respect of, the provision of custodial or depository services to retail investors.

Providing Instructions to ETL

Please refer to the disclosure document, deed or contract associated with the product for these details. If the information provided to us is incomplete, or inaccurate, the advice or services we provide may not be appropriate for your purposes.

Subject to its terms and conditions, the policy covers potential losses by retail clients relating to our breaches of the general AFSL obligations in Chapter 7 of the *Corporations Act 2001* by us or our representatives.
